BooK I.

[Page of text, discussing various meanings and usages of words in Arabic, including "sprig", "spray", "bunch", and "branchlet". The text also mentions the "Time of Ignorance" and the "Kur li".]

[Discussion on the meanings of words such as "ground", "rugged tracts", and "mountain", including their usage in poetry and literature.]

[Further discussion on the usage of "time", "prolonged", and "anxiety", with references to "Life was prolonged unto them" and "anxiety became protracted".]

[Conclusion with a poetic reference to El-Farezda as a bare rock that has exceeded in height the mountain-goats so that the mountain-goats do not reach it.]
